—Managers of Lincoln county's great exhibit took a notion yesterday to cause amusement and surprise to visitors by giving a common red beet in the form of a woman a seat on their shelves. This vegetable monstrosity is about two feet in length, and one is quite deceived at first in thinking it the work of man.—Omaha Bee.

—Ladies' kid gloves, best quality, 95 cents a pair at the Wilcox Dept. Store.

—It is generally believed that the irrigation case of Paxton & Hershey against the Farmers' & Merchants' Irrigation Co. had been decided by the supreme court, but up to yesterday the decision had not been filed. It is said the decision has been withheld at the request of one of the attorneys in the Keith county irrigation case, who wished to file his brief prior to the announcement of the decision in the Lincoln county case. No doubt but the syllabus of the latter case will be published in the next few days.

Dr. A. P. Sawyer—Sir: After suffering four years with female weakness I was persuaded by a friend to try your Pessaries, and after using them for one year, I can say I am entirely well. I cannot recommend them too highly. Mrs. M. S. Brook, Brownsville, Mich. For sale by F. H. Longley.

—Mrs. Jacob Miller left a few evenings ago for Norfolk, having in charge Maggie Mackin, who for some time has been mentally unbalanced, and will receive treatment at the state asylum.

—FOR SALE—Five brood sows. Inquire of R. A. McMurray, North Platte, Neb.

—Rev. A. W. Graves has the thanks of this office for a generous sample of exceedingly luscious peaches grown in his garden in this city. They effectually put at rest the idea that fruit cannot be successfully cultivated in the great Platte valley.

—There is a new candidate for sheriff in town. He came in this week just in time for the convention, at Del Huntington's house. He is a light-weight at present, but the neighbor women say he has already knocked out his daddy. Congratulations! We all smoke at Del's expense.

—Rev. Graves has been granted a vacation of a couple of weeks, which no doubt he will enjoy as it is the first he has had since coming to assume pastoral care of the Baptist church in our town. From all we can gather Mr. Graves has been very faithful in his efforts to build up the cause here, and deserves this brief respite from his incessant labors.

—Wednesday evening's Bee had the following to say of the Gordon cornet band of this city: Following was the finest arrayed band in the whole parade, the Gordon Silver Cornet band of North Platte, all resplendent in white and gold, headed by Drum Major F. B. Hartman and under the leadership of Prof. N. Klein. Each member was uniformed in white and black, Russia jackets and capes of white English broadcloth, gorgeously adorned with real gold braid, tight fitting white trousers, jet black leggings and silver helmets decorated with white waving plumes. The uniforms are valued at \$1,000, and were the gift of Hon. W. F. Cody. The band created a marked sensation, particularly as their playing was in keeping with their splendid appearance.

—We hear considerable complaint in regard to certain persons failing to cut the weeds on their vacant lots. In some instances these weeds are eight or ten feet high, and should a fire originate on the lots after the weeds are dry adjoining property would be endangered.

—S. A. Douglas Circle No. 20, L. of G. A. R., at the last regular meeting obligated Major Walker as honorary member. This society numbers among its honorary members a colonel, a major, a district judge, and last but not least, a goodly number of the rank and file of the grandest army the world has ever seen.

—The Golden Corn.—Edna Dean Proctor's spirited national poem "The Golden Corn" has been set to music by Prof. Troyer, of San Francisco, and will be sung for the first time in North Platte at the "Corn Festival," under the auspices of S. A. Douglas Circle No. 20, Ladies of the G. A. R., Oct. 11th. We quote from the National Tribune: "The composer claims originality for this national song. He says that the 'Star Spangled Banner' is simply 'Anacreon in Heaven' which was sung in English churches one hundred years ago; that 'America' is an English national air, and 'Hail Columbia' can be found among the melodies of the ancient Irish bards." One of the best soloists in the city has kindly consented to sing this beautiful song at the "Corn Festival." This number of the programme will alone be worth many times the price of admission.

Bert Winget, one of the firemen sent to Green River, Wyo., several months ago, will return to town soon. Since leaving North Platte Bert has become a benedict, having been married at Green River to a young lady who formerly resided here.

A low down mean trick by some of the boys was played on Lew Hastings the other day. After considerable difficulty and trouble Lew had succeeded in shooting five fine young Mallard ducks while up the road. He placed them in the cauboose, but upon arrival here found they had disappeared. Doubtless they were enjoyed by the train boys who "swiped" them.

The readers of this paper will be pleased to learn that there is at least one dread-disease science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for lists of testimonials.
